Dear Local Business Owner,

The Little Run Sportsman's Club is hosting our Second Annual Hunts for Healing Squirrel Hunt. This event will be held at the Little Run Sportsman's Club, 266 Middle Creek Road, Tremont, PA on October 14, 2017. We are looking for our communities to come together and support this great event.

The event will include two person teams (\$10 per person/\$ 20 per team). Hunters must follow ALL PA Game Commission Rules and Regulations. Teams can hunt anywhere in PA; however, the team must check their squirrels in between 11:00 AM – 2:00 PM at the Little Run Sportsman's Club. Teams must pre-register on the following dates: Saturday, September 30th from 12-2 PM or Thursday, October 5th from 6-8 PM at the Little Run Sportsman's Club.

We are currently seeking sponsorships and/or donations for this event to be successful for Hunts for Healing. Some suggestions are: T-shirts, hats, hunting gear, ammo, guns, animal calls, etc. In return we will recognize your business on our donation board to be displayed at the event.
